

# ENROLMENT AND ORIENTATION POLICY

---

## Mandatory – Quality Area 6

### PURPOSE

This policy outlines:

- the criteria for enrolment at Research Preschool
- the process to be followed when enrolling a child at Research Preschool
- the basis on which places within the programs will be allocated
- procedures for the orientation of new families and children into Research Preschool
- processes to ensure compliance with legislative and DET funding requirements in relation to the enrolment of children in early childhood education and care services.

### POLICY STATEMENT

#### 1. VALUES

Research Preschool is committed to:

- equal access for all eligible children
- meeting the needs of the local community
- supporting families to meet the requirements for enrolment through the provision of information
- maintaining confidentiality in relation to all information provided for enrolment
- ensuring all families are welcomed and receive an effective orientation into the service.

#### 2. SCOPE

This policy applies to the Approved Provider, Nominated Supervisor, early childhood teachers, educators, staff and parents/guardians who wish to enroll, or have already enrolled, their child at Research Preschool.

#### 3. BACKGROUND AND LEGISLATION

##### Background

The *Education and Care Services National Regulations 2011* require approved services to have a policy and procedures in place in relation to enrolment and orientation (Regulation 168(2)(k)).

It is intended that all eligible children (refer to *Definitions*) will have access to one year of kindergarten before commencing school. The Victorian Government requires funded organisations to ensure that their policies and procedures promote equal opportunity for all children and criteria for access and inclusion are outlined in *The Kindergarten Guide* (refer to *Sources*). Research Preschool participates in a central enrolment scheme for its four year old program, and is required to comply with the enrolment procedures of this scheme. Nillumbik Council's Family and Children's Services administers the Preschool Central Registration program on behalf of all stand-alone four year old preschools in Nillumbik and families apply directly online or in person at the council for enrolment in the four year old program. Nillumbik Council operates within annually reviewed Preschool Central Registration Policy Guidelines and places are offered based on Nillumbik's priority of access (if a preschool receives more applications than places). The date of application has no bearing on priority of access and placement in the three year old program does not automatically guarantee a place in the four year old program.

Enrolment to the three year old program is conducted through dealings with Research Preschool directly, i.e. there is not a central registration program. Where demand is higher than availability, a priority system for access determines allocation of the available places and the criteria used to determine this allocation is generally based on the service's philosophy, values and beliefs, and the provisions of the *Equal Opportunity Act 2012*.

Immunisations are an effective means of reducing the risk of vaccine preventable diseases. Early childhood education and care services which are regulated under the *Education and Care Services National Law Act 2010* have legislative responsibilities under the *Public Health and Wellbeing Act 2008* to only offer a confirmed place in their programs to children with acceptable immunisation documentation (refer to *Definitions*).

## 4. DEFINITIONS

The terms defined in this section relate specifically to this policy. For commonly used terms e.g. Approved Provider, Nominated Supervisor, Regulatory Authority etc. refer to the *General Definitions* section of this manual.

**Acceptable immunisation documentation:** documentation as defined by the *Immunisation Enrolment Toolkit for early childhood education and care services* as acceptable evidence that a child is fully vaccinated for their age, or is on a recognised catch-up schedule if their child has fallen behind their vaccinations; or has a medical reason not to be vaccinated; or has been assessed as being eligible for a 16 week grace period.

**Authorised nominee:** (In relation to this policy) is a person who has been given written authority by the parents/guardians of a child to collect that child from the education and care service. These details will be on the child's enrolment form.

The National Law and National Regulations do not specify a minimum age limit for an authorised nominee. Each service will need to consider a risk assessment on an individual basis to determine if a person under the age of 18 is able to be an authorised nominee and, if so, what constitutes the minimum acceptable age at that service.

**Children with additional needs:** Children whose development or physical condition requires specialist support or children who may need additional support due to language, cultural or economic circumstances (refer to *Inclusion and Equity Policy*).

**Deferral:** When a child does not attend in the year when they are eligible for a funded kindergarten place, or is officially withdrawn from a service prior to the April data collection. DET considers that this

child has not accessed a year of funded kindergarten and is therefore eligible for DET funding in the following year.

**Eligible child:** A child attending an early childhood education and care service as described in the *Immunisation enrolment toolkit for early childhood education and care services* or a child in a kindergarten program who meets the requirements of both *The Kindergarten Guide* and the *Immunisation enrolment toolkit for early childhood education and care services*.

**Enrolment application fee:** A payment to cover administrative costs associated with the processing of a child's enrolment application for a place in a program at the service.

**Enrolment application form:** A form to apply for a place at the service.

**Enrolment form:** A form that collects contact details, and personal and medical information from parents/guardians about their child. The information on this form is placed on the child's enrolment record (see below) and is kept confidential by the service.

**Enrolment record:** The collection of documents which contains information on each child as required under the National Regulations (Regulations 160, 161, 162) including the enrolment form; details of any court orders; and immunisation documentation as specified in the *Immunisation Enrolment Toolkit for early childhood education and care services*. This information is kept confidential by the service.

**Fee:** A charge for a place within a program at the service.

### Eligibility and priority of access criteria

#### 1. Eligibility and priority of access criteria for the funded kindergarten program

The following children are eligible for attendance in the funded kindergarten program:

- children who have been granted approval to receive funding for a second year of kindergarten in accordance with *The Kindergarten Guide* available at: [www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria.aspx](http://www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria.aspx)
- children who were eligible to attend in the previous year, but:
  - deferred
  - withdrew from the service prior to the April data collection
- children who turn four years of age by 30 April in the year they will attend kindergarten
- children turning six years of age at kindergarten who have been granted an exemption from school-entry age requirements by the regional office of DET (refer to *The Kindergarten Guide*, available at: <http://www.education.vic.gov.au/childhood/providers/funding/Pages/default.aspx>)
- children who are younger than the eligible age, but whose parents/guardians have submitted an early age entry request for their child to attend school the following year. This written request is to be directed to the regional office of DET, or the non-government school the child will be attending. A copy of the approval must be attached to the kindergarten application. Parents/guardians should note that very few requests are approved by DET. If the child attends kindergarten early, but does not proceed to school in the following year, they will be unable to access a second year of kindergarten unless they are deemed eligible by DET for having recognised developmental needs
- three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection may be eligible for the Early Start Kindergarten program. This scheme provides funding to enable children to attend a kindergarten program that is planned and delivered by an early childhood teacher for a specific number of hours. Details are available at: [www.education.vic.gov.au/about/programs/learningdev/pages/earllystartkinder.aspx](http://www.education.vic.gov.au/about/programs/learningdev/pages/earllystartkinder.aspx)

As Research Preschool participates in a central enrolment scheme, the priority of access for that scheme, which is administered by Nillumbik Council, will be implemented.

#### 2. Eligibility and access criteria for the three-year-old kindergarten program

Children are eligible for attendance in the three-year-old kindergarten program provided they have turned three prior to commencement.

Children will only be able to attend a second year of three-year-old kindergarten in exceptional circumstances (after consideration by the Approved Provider) or when all eligible children on the waiting list have been offered a place.

The Approved Provider must determine eligibility and access criteria applicable to the service. Considerations may include:

- children recommended by an educator for an additional year in the three-year-old program
- date of application – for example, families can enrol for the program when their child has turned two, or applications for the three-year-old program can open at the start of Term 1 in the year prior to commencement
- siblings attending the service
- places allocated by the service for transient families e.g. RAAF, seasonal workers and tourism workers
- local community zoning.

#### 3. Allocation within groups

Where the service provides more than one funded kindergarten program or three-year-old program, places within the programs will be allocated to groups by the service in line with the eligibility and priority of access criteria, using an equitable and transparent process.

Considerations may include:

- Needs of individual children
- Needs of the group
- Family commitments
- Parental wishes.

### General enrolment procedures

#### 1. Application for a place

- Enrolment applications for the four year old program open with Nillumbik Council on the first business day in March each year, two years before children are eligible to attend four year old preschool. Applications must be submitted no later than 30 June in the year before attendance to be included in the first round offer process. Enrolment applications for the three year old program are made directly through Research Preschool and open at the start of Term 1 in the year prior to commencement
- Enrolment application forms for the four year old program are available online at <http://www.nillumbik.vic.gov.au/People-and-family/Preschool-Kindergarten/Four-year-old-preschool/Apply-for-preschool> (for the four year old program). Enrolment application forms for the three year old program are available at Research Preschool and are provided to the parents/guardians together with information about the requirements of the law for enrolment, locating and accessing immunisation services, obtaining acceptable immunisation documentation and a copy of the *Enrolment and Orientation Policy*.
- Research Preschool will determine the date(s) by which applications must be received for offer of places in the three-year-old.
- A separate application form must be completed for each child, and for each proposed year of attendance at the service.
- To facilitate the inclusion of all children into the program, the enrolment application form should clearly identify any additional or specific needs of the child (refer to *Inclusion and Equity Policy*).
- Parents/guardians of children applying for a second year of funded kindergarten or currently attending a three-year-old program must also submit an enrolment application form for the following year.
- A copy of the child's birth certificate and proof of address must be submitted with all applications.
- Research Preschool may charge an enrolment application fee for the three year old program (refer to Fees Policy). In this instance, all enrolment application forms must be accompanied by an enrolment application fee in line with this policy. This fee is to cover administrative costs associated with the processing of a child's enrolment application and is not refundable. There is an enrolment application fee associated with all four year old program applications. Refer to <http://www.nillumbik.vic.gov.au/People-and-family/Preschool-Kindergarten/Four-year-old-preschool/Apply-for-preschool>.
- Completed enrolment application forms are to be forwarded to the person responsible for the enrolment process at the service, at Research Preschool (three year old program only).
- Access to completed enrolment application forms will be restricted to the person responsible for the enrolment process, the Approved Provider, Nominated Supervisor and educators at the service, unless otherwise specified by the Approved Provider.
- Applications will be entered on the waiting list using the eligibility and priority of access criteria (three year old program only).

#### 2. Offer of places

- Tentative places will be offered in writing to applicants in accordance with the eligibility and priority of access criteria of the service making clear that confirmation of places is not final until immunisation documentation has been received, assessed and found acceptable.
- Research Preschool requires parents/guardians who have been offered a tentative place to provide acceptable immunisation documentation for assessment two months prior to the child first attending the service in order that a confirmed place can be offered.
- The documentation is assessed as outlined in the *Immunisation enrolment toolkit for early childhood education and care services* by the person responsible for the enrolment process on behalf of the Approved Provider. The Key Dates work form in the *Immunisation enrolment toolkit for early childhood education and care services* is used to determine the date at which immunisations must

be up to date. The toolkit also provides guidance on assessing immunisation documentation to determine if a child is up to date or qualifies for an exemption. The following documents and resources can be accessed from <https://www2.health.vic.gov.au>:

- The *Immunisation enrolment toolkit for early childhood education and care services* (search 'Immunisation enrolment toolkit')
- The Key Dates work form (search 'Key Dates work form')
- Hard copies of the immunisation resources (search 'immunisation resources order form')
- The acceptable outcomes of the assessment for offering a confirmed place are:
  - That the next due vaccine for the child on the ACIR Immunisation History Statement or the Immunisation Status certificate is within the acceptable timeframe for an enrolment, or;
  - That the child is on a recognised catch-up schedule if they have fallen behind with their vaccinations, or;
  - That the child has a medical reason not to be vaccinated, or,
  - That the child has been assessed by Research Preschool as being eligible for a 16 week grace period
- The person responsible for the enrolment process advises the parent/guardian in writing whether a confirmed place is offered and the enrolment can proceed.
- Parents/guardians who do not have acceptable immunisation documentation cannot be offered a place and are referred to Australian Childhood Immunisation Register or to an immunisation provider (refer to Appendix 4 – Letter for parents/guardians who do not have acceptable immunisation documentation).
- Offer of places in the three-year-old program/s and the funded kindergarten program will be made at the same time.
- Parents/guardians who do not wish to accept the offer of a tentative or confirmed place, or intend to withdraw their enrolment, are requested to notify the Approved Provider, or the person responsible for managing the enrolment process at the service, in writing as soon as possible.
- A fee of \$50 must be paid in accordance with the Research Preschool's Fees Policy within 14 days of a place being offered to hold the place for the following year. This fee will be deducted from 1 term fees.
- An enrolment form and other relevant information will be provided by Research Preschool to the parent/guardian after a confirmed place has been accepted and the fee has been paid.

Note: Places will not be allocated to children until any outstanding fees owed to the service by the family is paid, or a payment plan is agreed to between the family and the service (refer to *Fees Policy*).

### Enrolment and immunisations

The Government's No Job No Play laws require all children to be age-appropriately immunised before enrolment can be confirmed.

Parents/guardians offered tentative places will be asked to provide immunisation documentation to Research Preschool by [insert date] that shows that their child's immunisations are up to date for their age or that an exemption applies.

Confirmation of places is finalised after the documentation has been assessed that the child is up to date or that the child is on a recognised catch-up schedule if they have fallen behind with their vaccinations, or that the child has a medical reason not to be vaccinated or that the child has been assessed as being eligible for a 16 week grace period.

### Letter for parents/guardians without acceptable immunisation documentation

Research Preschool

[Address]

[Insert date]

Dear [insert name]

Re: Enrolment at Research Preschool for

I am contacting you regarding your tentative place for [insert child's name] at Research Preschool in the [insert 3 year old or 4 year old program] in [insert year].

Under the *Public Health and Wellbeing Act 2008* early childhood education and care services cannot enrol a child unless the parent/guardian has provided acceptable immunisation documentation.

Acceptable immunisation documentation includes evidence that your child:

- is fully vaccinated for their age
- is on a recognised catch-up schedule
- has a medical reason not to be vaccinated
- has been assessed by our service as being eligible for a 16 week grace period.

As we have not received acceptable immunisation documentation for [insert name of child] by the due date, we are unable to confirm a place at our service for and your child's name has been removed from our list.

Immunisation programs are effective in reducing the risk of vaccine preventable diseases. Immunisation from an early age helps protect your child against serious childhood infections. Further information about immunisations for your child is available from:

- your doctor
- [insert details of local government immunisation service]
- National Immunisation Information Line Tel. 1800 671 811
- Australian Childhood Immunisation Register Tel 1800 653 809
- Better Health Channel website: <https://www.betterhealth.vic.gov.au/no-jab-no-play>

Should you wish to re-apply for a place for [insert child's name], we are happy to accept a new enrolment application accompanied by acceptable immunisation documentation. The new application would be considered in line with Research Preschool's Enrolment and Orientation policy.

Yours sincerely
